# A Message from Marianne

2005-2006 theme—*Discovering the Treasures Within*

Happy New Year! Happy 2006!

As you look to the year ahead with excitement, what will it hold for you? Will it be a time of new beginnings, a time to start a new project, a time to learn something new, a time to move or a time of new opportunities? No matter what you have planned — embrace the unexpected, open the new doors and take on any challenge with gusto and enthusiasm. Most of all keep a positive attitude and be happy!

Remember, happiness is not a destination. It is a method of life. Sometimes you may hear someone say, “I’ll be so happy when I get married ... when I have a baby ... when I buy a new house” etc. The truth is we all know happiness does not arrive as a result of an event or the purchase of a material thing. We each deserve to laugh more, take

***We each deserve to laugh more, take ourselves less seriously, and focus on enjoying our journey instead of reaching a destination.***

ourselves less seriously, and focus on enjoying our journey instead of reaching a destination.

If you would like to add happiness to your day and to the day of those around you, try breaking up your routine. Try one of these suggestions:

1. Write a silly note to include in your child or spouse’s lunch. (Or leave it on his/her pillow!)
2. Cook dinner in a whimsical hat or whatever may bring a smile to your face—you will share loads of laughs and feel uplifted.
3. Take a pen and write down “fun date” on your calendar—one a month is not too many. Then, make plans for those dates and don’t change your plans. You will find yourself looking forward to those “fun times”.
4. Make reservations for a getaway—even if is for an overnight at a place nearby.
5. Volunteer for an activity or event that is new to you. When you open your heart to other people to listen and care about them, it will change the way you look at the world and you will be happier.

Art Linkletter once said, “Things turn out best for the people who make the best out of the way things turn out.”

So, as you look to the year ahead, let go of the past, plan for the future—set those goals and “be happy throughout the New Year”.

With a smile of happiness,

*Marianne*

## Colors Training in March

All provisionals and any member who has not taken the Colors training is invited to attend on Thursday, March 16th at 7pm. Colors training helps each woman better understand her personality in a light, non-threatening, fun way. Lynn Stark will be facilitating this event in her home at 4414 Memory Lane. This is the Southwest corner of Golf and Oakwood Hills Parkway—the street is the first right south of the intersection. RSVP to Marianne (833-8954) if attending.

## Dine Out in Chippewa Valley Fundraiser

As 2006 begins, we have to start thinking of the projects for the New Year. We want to get things off to a great start. So please keep in mind the Dine Out in Chippewa Valley project and if you can help out in any way, we would be very grateful. We are in need of people with contacts in restaurants who could solicit gift certificates for us. We would ask you contact either Jacqui Muir (jacqui1974@charter.net) or Angela Prissel (aprisseldc@sbcglobal.net) if you have any ideas and also before you approach anyone as we don't want more than one person approaching the same places. This is a great fundraiser. Your support is needed through the first few months of the year to get this off the ground.

All members will be notified via letter and/or email when tickets will be available. Dine in the Chippewa Valley is a raffle for 52 eating opportunities throughout the valley. That works out to one time a week you will be pampered by someone else cooking for you. Only 500 tickets will be sold at \$10 each. Start planning how many tickets you would like to purchase to ensure your winner status.

## 11<sup>th</sup> Year for Back to School Project

The Back to School project is proudly going into its 11th year with JLEC. We offer free backpacks filled with school supplies to all free lunch eligible children in Eau Claire County. This is a wonderful project to be involved in. Please join us at our first meeting on March 6th at Shanghai Bistro at 7pm. Learn about the project and hear how it impacts our community. Many volunteer opportunities are available within the committee to be involved at all levels. If you have any questions please contact Jennifer Ropes at 834-1840. Hope to see you there!

## Legislative Breakfast on Mental Health

On December 5th, JLEC and the Children's Mental Health Alliance Chippewa Valley sponsored a Legislative Breakfast at the Family Resource Center. Linda Bohacek welcomed everyone and introduced the speakers. The topic all speakers addressed was the "Barriers to Mental Health Needs" such as funding, access to services, and the professional capacity in the Chippewa Valley. Legislators, parents, and local government departments gave their perspectives and implications for public policy. Each guest in attendance received information to assist in further understanding the needs in our community. If you would like information, you may go to the website: [www.childrensmentalhealthalliance.org](http://www.childrensmentalhealthalliance.org) or email: [cmhacv@yahoo.com](mailto:cmhacv@yahoo.com).

## JLEC Donates to New Teen Court

The November General Membership Meeting (GMM) was held at the Court House with Judge Lisa Stark presenting information on the upcoming Teen Court program. League surprised her by presenting an \$825 check to help get the Teen Court program started.

*Marianne Klinkhammer presenting the \$825 check to Judge Lisa Stark for Teen Court program at November GMM.*

Part of the Restorative Justice program, Teen Court addresses criminal and non-criminal offenses in a school setting among the offender's peers. Teen Court allows offenders the opportunity to explain their actions and thinking to a group of their peers and helps them to understand the consequences of their actions.

Stay tuned to more information about this program and the opportunity for League's participation.

## Celebration of Women coming April 18th

Mark your calendars for a fun night of “Glitz and Glam” at our Celebration of Women Tuesday, April 18th. It will be held at Fanny Hill with limited seating. There will be special exhibits focused on women, a dynamic motivating speaker, a delicious meal and a fabulous night of fun “celebrating each and every woman”. Invite your friends, neighbors and relatives—treat the gals at your office or whomever you would like to treat. Reserve your tickets early. Watch your email and mail for further ticket information. The co-chairs Tracey Newhouse and Jesica Witte along with their committee of provisionals are planning this event with great enthusiasm.

*The Packer Party raised \$5100 in November. Thank you everyone for all your efforts to make this fundraiser a success. Pictured above: Chris Sniegowski, Barb Westrate and Tracey Newhouse.*

## Foster Kids Celebrated at the Holiday Party

Smiling faces were seen everywhere at the JLEC sponsored Foster Care Holiday party on December 16th. Many children decorated ornaments, had their face painted, and/or hair braided, decorated cookies, decorated light switch plates etc. There was glue, paint, glitter, nail polish, snow, and numerous other materials everywhere for the children to use with guidance from our League volunteers. Each child also received a gift when their name was drawn. It was a night of sheer joy and excitement for everyone. Pizza with the trimmings and dessert topped off the evening. A huge thank you to all of the volunteers who helped with this event.

*Pictured above: Sheri Baemmert worked the “hair styling booth” at the Foster Care holiday party. Children could receive braids, twists and the popular glitter spray.*

“Yesterday is history. Tomorrow is a mystery.  
Today is a gift, that is why we call it the present.”

Identity theft is on the rise worldwide. Your life and credit can be ruined—making it impossible to do most things we take for granted. What can you do to protect yourself and be wise to con games? ## New Website Registration Requirement on AJLI Site

By February 2006, AJLI will be moving away from the current universal member password for access to the member section of the website. AJLI.ORG will upgrade its password-protection and username system to increase online member services and networking tools. This includes the launch of a searchable document library, an interactive message board, and specialized membership-valuable content (such as Affinity Group and President/President Elect sections).

**So why is this important?** The new registration system will validate you as a Member of the Junior League of Eau Claire and allow you to create a username and password. To register, your AJLI member ID is required. Your AJLI member ID was created when you joined the Junior League. This assigned number is the only unique piece of information available to AJLI in order to validate you as a League member. If you don't know your member ID, here is a list of ways you can find it:

- **Member ID cards:** AJLI will create member ID cards for all dues-paying members of the Junior League of Eau Claire and send them out the second week of January. These cards will be mailed to League Headquarters.

- **Junior League of Eau Claire Roster:** Multiple times throughout the year, AJLI sends a roster to our League office that includes your member ID number.
- **AJLI Help Desk:** Once the program has been launched, AJLI will have a help desk to address registration-related questions and problems during office hours from 9am-5pm EST.
- League Presidents, President Elects and other League Officers will receive an email with their member ID. This includes our League officers who provide AJLI with a current email address.

AJLI is requiring League Members to register using their AJLI member ID to increase privacy and allow added service to its members. This is especially important because the Member area includes personal contact information for League members.

Once registration begins February 2006, the message board and document library in the member section of the website will be accessible only to Junior League of Eau Claire members who have registered. As the deadline approaches, AJLI will post detailed information on [www.ajli.org](http://www.ajli.org).
