

JOIN THE JUNIOR LEAGUE!

The Junior League of Eau Claire is a group of women focused on improving their community. Each year, our members volunteer their time, energy and abilities to tackle urgent needs in the Chippewa Valley. Join us! It's a great way to roll up your sleeves and make a difference!

About the organization

WHAT IS THE DIAPER BANK?

The Diaper Bank is a new project of the Junior League of Eau Claire (JLEC). Through a partnership with Feed My People, we will collect and distribute a steady supply of free diapers to poor and low income families living in Eau Claire County.

WHY DOES EAU CLAIRE COUNTY NEED A DIAPER BANK?

All babies need diapers, which can cost parents over a thousand dollars a year to provide. This is an expense that many low income families simply cannot afford, and no Federal safety net programs (e.g. Food Stamps, WIC) currently includes diapers. As a result, babies in low income families are suffering and facing potential health risks.
