The Diaper Bank
A project of The Junior League of Eau Claire

The Diaper Bank of Eau Claire is a project organized and created by the Junior League of Eau Claire to provide diapers to poor and low income families living in Eau Claire County. To do this, the Diaper Bank works in partnership with Feed My People both to purchase and supply diapers to area food pantries.

We define diaper need as the struggle to provide a sufficient number of clean, dry diapers to ensure that the child can be changed as often as necessary. Babies need an average of 6-10 diapers a day to stay clean, dry and healthy, which can cost on average \$1000 a year per child. Infrequently changed diapers can lead to painful diaper rash, fever, staphylococci, urinary tract infections, jaundice and even renal failure.

WIC and SNAP (food stamps) do not provide diapers because they are categorized as a clothing item rather than a nutrition related item. Many service organizations say that diapers are a top request.

Cloth diapers could help cut costs but are not accepted at most childcare centers and commonly cannot be laundered at coin operated laundromats or apartment facilities. Many childcare programs will turn away families that cannot provide disposable diapers.

The Diaper Bank's goal is to make sure that every child in Eau Claire has an adequate supply of diapers.

Carson Park - Pine Pavilion
SUNDAY,
SEPTEMBER 14, 2014
11:00am to 3:00pm
